TERM 4 – 9th October – 22nd December

Circus Skills Classes are a Hit

Ryan from East Gippsland Circus Skills was holding his second class on Thursday night. What a talented group they are.

Thank you everyone for your support of our Bookfair this week. Loads of families took the chance to buy a few books, foster their child's love of literacy and support the school library – all at the same time!

Heads Up: Book Week Parade – Aug 25th

This is a great day on the school calendar. Please take the time to get your costumes ready early – go for innovative rather than expensive. Get out the dress ups and see what you have.

Changshu Primary School Visit

How lucky are we to have 17 students and 2 teachers travel from China to Paynesville to spend the week with us. This is the fifth time we have hosted our Chinese friends and a very special bond now exists between the schools and the families. In the September school holidays we have a group of 24 students, parents and staff heading back to China to visit our friends in their school.

Jeans for Genes Day

Great effort to all the students who dressed up in Jeans to help support the Childrens Medical Research Institution Jeans for Genes day. We raised \$135. The money we raised will help researches test new drug treatments in the laboratory and find out which ones hold the promise of a cure for the most fatal form of childhood cancer.

Preps 100 days at School Celebration

The Preps have been at school for 100 days. For their celebration they made self portraits of what they think they would look like in 100 years and created masterpieces with 100 items.
