*Dear Parents and Caregivers,*

Another great week for Paynesville Primary School, we have all been enjoying this beautiful warm Autumn weather. This week was also a time for reflection as we commemorated ANZAC Day. We began the week with Peter Wertheimer, the president of the Paynesville RSL, visiting our school assembly to talk about the importance of ANZAC Day and why ANZAC Day is a significant date in Australian and New Zealand history. All students have also been learning about ANZAC Day in their classes.

On Wednesday we had an impressive turnout of students, parents, grandparents and staff who attended the Paynesville RSL community ANZAC Day March and service. It was a day to feel very proud of our school, its students and teachers. Students were respectful and attentive throughout the service, thank you very much to all who attended.

The new winter season starts on Tuesday May 1st. The draw is on the school FB page. Good luck to everyone involved.

## STUDENT WELLBEING

We have had a case of Hand, Foot and Mouth disease (The Human version) in our junior rooms. This comes with high temperatures and skin blistering. It is contagious and exclusion from school is required. So as always please be vigilant if you see any of these symptoms and seek advice from your doctor.

# PREP CLASSROOM CAPERS

## Oobleck...!

The Preps have been experimenting with Oobleck this week. Oobleck is quite clever.

The special thing is that it acts like a liquid when being poured, but like a solid when a force is acting on it.

You can grab it and then it will ooze out of your hands. Make enough Oobleck and you can even walk on it!

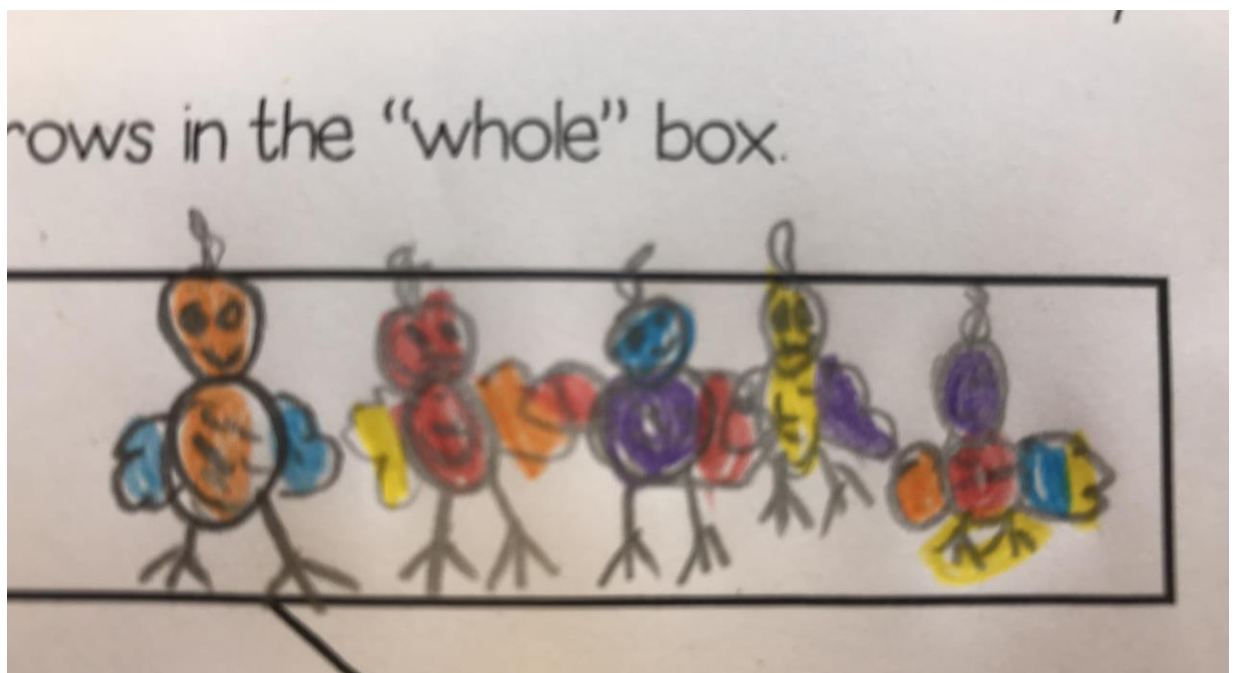

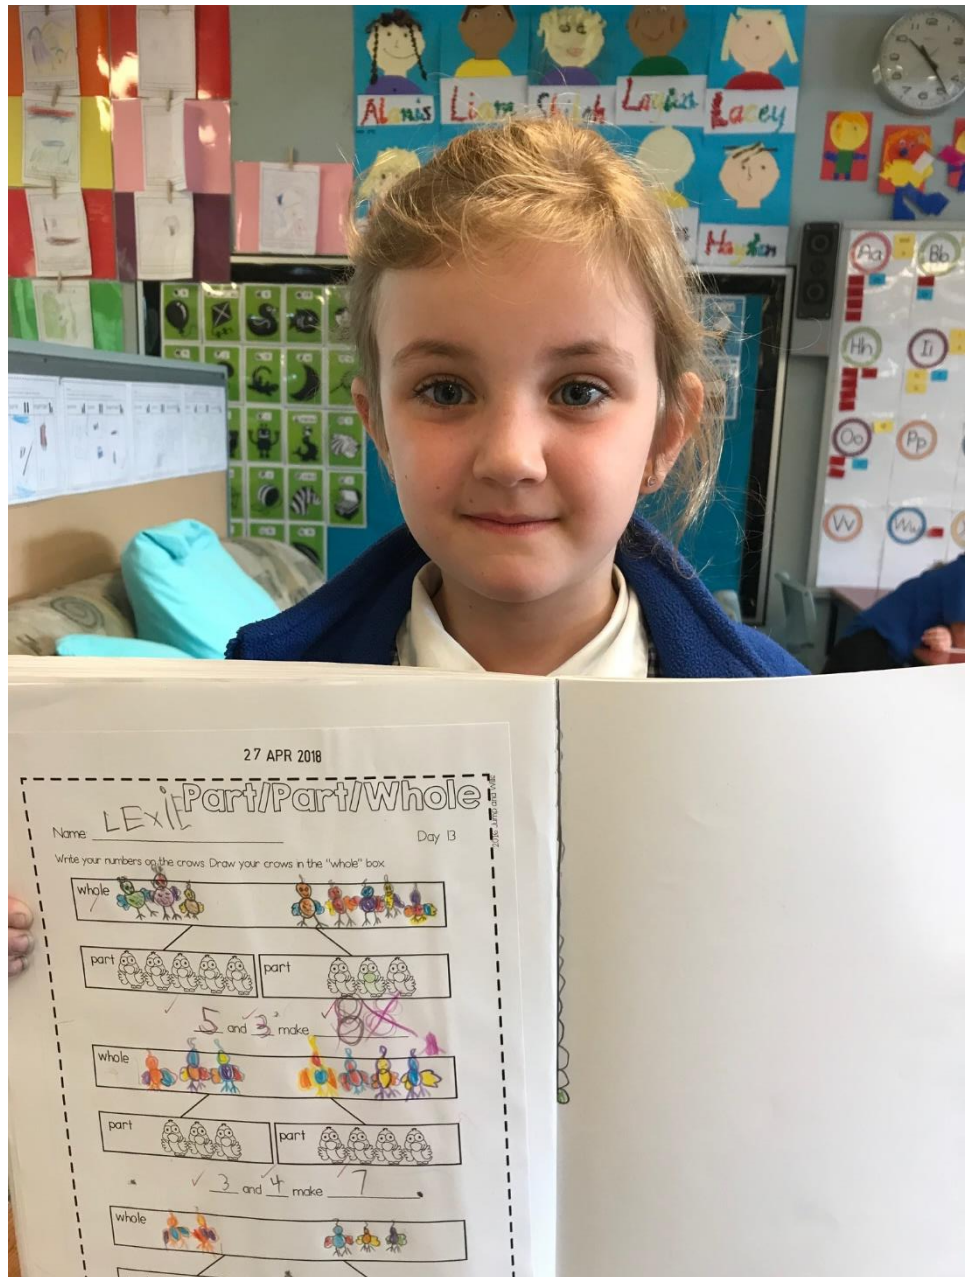

From the smiles on these Preps faces they certainly had fun.

Prep Students this week have been learning about simple addition and subtraction in Math.

Lexi has done a fantastic job and was quite happy to have her photo taken showing her work.
