Dear Parents/Caregivers,

Thankfully this week was a little quieter for our students. It wasn't without some surprises. We were fortunate enough to have our last Nexus Arts performance for the year and other exciting activities happening.

Careers and Grade 6

Today the Grade 6 students' had another visitor to talk Careers with them. Gerry from Woodridge Plumbing (along with Sam) spoke with the students about a career in plumbing.

Another highlight was when Gerry spoke about his model aeroplane and showed the students what it looks like and how it works. Gerry also brought in a VR drone for the students to look out.

Concrete Murals

On Wednesday this week we had the art work on our concrete areas redone and we were also able to choose 2 new designs. The map of Australia has been generating a lot of discussion, leading to lots of learning! Knowing where we are on the map of Australia, our states and capital cities is very valuable. The new goanna hopscotch looks beautiful by the trees of our lunch eating area and Jiddalick. Thank you very much to the Paynesville Op Shop for donating the money for this project.

The Crazy Scientist

On Tuesday this week we enjoyed a performance by Richard Scholes, The Crazy Scientist. Richard showed us lots of amazing science tricks, we are still not sure how he did some of them! We had chemical reactions, unreal bubbles and elephant toothpaste. All super cool and a bit crazy!

We're off to New Zealand!

This Sunday 26 of our Grade 5 and 6 students are heading to Aotearoa for a week long trip to Chelsea Primary School in Auckland. The students will be billeted by Chelsea Primary School students and we look forward to hearing all about their adventures on their return. The students will participate in in-school activities and also do some sight seeing around Auckland. Thank you to the staff and parents who are able to attend this trip also.

SLEEPOVER

Grade 2 Sleepover

As we were going to print there was an air of anticipation and excitement about the first over night experience for our Grade 2's. The Grade 2 Sleepover was only hours away! We look forward to hearing all about this activity next week.
