Dear Parents/Caregivers,

First of all, a huge congratulations to everyone who attended the Student Led Conferences last week. It is a wonderful opportunity for our students to talk about and celebrate their learning. This experience supports our school goal of increasing student agency and student voice in learning.

On Monday at assembly we presented our athletic awards, the results appear later in this newsletter. We had the Paynesville and District Kindergarten come to school on Tuesday for an excursion. On Thursday we held our Book Parade and the Grade 3 students went to Maddox Garden’s to celebrate Book Week with the residents there.

Please enjoy all the photos of Book Week in this newsletter and on the Facebook Page. A giant thanks to all the Mums, Dads, friends, Nanans and other extended family who helped our students with their costumes.

Maddocks Gardens

After our book parade on Thursday the Grade 3 students travelled to Maddocks Gardens to celebrate Book Week with the residents there. The students met the residents, talked with them about their costume and read a book of their choice. After this we had a shared story, played a game and sang songs together.

It was a beautiful visit, the residents were so impressed with our students and want us to come and visit again tomorrow! It was easy to see the joy our visit had brought everyone. Thanks to Kate Churches for helping to organise this visit, we will look forward to coming again next year.

Kinder Visit

On Tuesday the Paynesville and District Kindergarten came to visit us. The kinder students enjoyed playing in the playground, a tour of our school, a concert by some of our music students (thanks Maddy, Mitchell and Tom), cooking in the kitchen and activities in the prep room.

This excursion supports the kindergarten's transition to school program. Students attending PPS in 2020 will begin their transition by attending school Fridays in Term 4.

FATHERS DAY STALL WEDNESDAY AUGUST 28TH

ITEMS FROM 50c to \$5

FATHERS DAY MORNING TEA

THURSDAY AUGUST 29TH

8:00am to 9:00am

CSIRO STEMM In Schools

A big thank you to Eleanor and Angelo who worked in the Grade 1/2 classrooms this morning. This morning's session was part of Paynesville Primary School's partnership with CSIRO STEMM (Science, Technology, Engineering, Maths and Medicine).

The session focussed on eyes, sight, vision and light. Highlights were dissecting eyes!!!, one sided shapes, lenses, prisms and the primary colours of light (which are red, blue and green).
