Dear Parents and Caregivers,

As a school community we can feel very proud of our transition to remote and flexible learning. We have completed 3 days so far and the feedback from families and students is very positive. We had a large number of families who were able to join us for our assembly on Wednesday, it was so great to be able to connect with everyone. I was buzzing after assembly and am looking forward to having assembly again at the usual time of 9am on Monday. The link to Monday's assembly has been emailed out to families.

Thank you very much to all the families who sent in photos of their children learning at home, it is great to see how well you are all supporting them with their learning

Art Classes with Dee

Hi everyone! 😊

I've just finished my 3rd Facebook LIVE art class! For anyone who's missing art with me (😊) you can replay it on my Art Classes page ↓, along with the previous 2 classes. Today's art project uses basic art supplies (dried up markers actually 😊 I'm sure we all have plenty of them!) Hope you're all keeping busy, healthy and happy!

Dee 😊🎨

Kitchen

Lots of our students have been busy in their kitchens, taking on the challenge to use seasonal vegetables and other yummy goodies. Liam made a salad for dinner, Bohden made zucchini slice, the McGrath Family made lemonade scones, Amy made chocolate dipped strawberries, Maddie and Graces' cupcakes look amazing, Aimee Morris prepared spaghetti bolognese, and provided a great written piece showing what she learnt and her rating, and River Blanco can be very proud of her chicken, vegetables and noodles, made with parsley, and autumn herbs.

We have been speaking with Scholastic Bookclub and they have advised that families still have the opportunity to purchase from the Scholastic catalogue throughout Term 2.

The latest catalogue is available at <https://scholastic.com.au/book-club/virtual-catalogue-1/>

All orders will be delivered to families directly.
