Dear Parents and Carers

I would like to begin with congratulating all our students who were able to attend the Paynesville RSL ANZAC Day service last Sunday. You represented our school very well and I was very proud of all of you. I would also like to thank School Captains Sara Melrose and Anzak Watkinson who truly impressed everyone with their well-written and well delivered ANZAC Day speeches. You totally aced it Sara and Anzak, very well done! Please enjoy some of our ANZAC Day photos in this newsletter.

As we enter the colder months of the year there are a few more illnesses going around. Chicken pox is still going around our students with a couple of new cases identified this week. If your child is unwell or has cold or flu symptoms, it is important that they stay at home and do not attend school.

Division Cross Country

Congratulations to all our students who competed in the Division Cross Country at Nagle College on Monday. Paynesville performed very well with many of our students gaining places in the top 30! This is very impressive!

Big congratulations to Dixie, Max and Bonnie who will be moving on to the Regional Cross Country competition that will be held in Warragul in June.

Swimming

Our swimming program continues to be very popular with our students and is going very well. I had to include these beautiful photos in our newsletter, they are stunning! Well done to everyone for your fantastic effort in our swimming program.

Please note that a notice was sent home yesterday to the students in Grades 1/2 and Grades 5/6 letting you know about a change to our swimming times for next week to accommodate the Central Districts Winter Sports. These changes can also be seen in the term calendar on the last page of the newsletter.

Grade 1/2 Responsible Pet Ownership and Creepy Critters!

On Tuesday this week the junior school enjoyed a visit from Sweep, who is from the Responsible Pet Ownership Program to learn about safe behaviours around dogs. I also enjoyed watching the Grade 1/2 creepy critters lesson, it was super cool! The students used this activity to support their procedural writing, excellent job Grade 1/2 students.
