Dear Parents and Carers

We have had a lovely week at Paynesville Primary School. The students are buzzing about our upcoming Market Day and Grade 3/4 students are continuing to work hard on their play, 'Shrek.'

This week our Grade 3 -6 students have been preparing for their Market Day stall. They have been working in groups to decide what sort of stall they would like to run, how they will run it and how to attract customers. I have enjoyed talking with the students about their plans and reading all the posters that are appearing around the school. I can't wait already!!! Please come along on Friday to support our students, it is a lot of fun.

Rahni, Emma-Lee and Abigail have teamed up for market day. They will be running a stall where students are able to throw a water balloon at them for a small cost. Sounds great girls.

The Grade 3/4 Shrek play is looking awesome. For those of you who are unaware, this year our Shrek play will be performed in our school grounds. Around the front of the school there are a number of locations being used. I can see and hear from the admin building the play's progress and I must say it is looking good. I am really looking forward to seeing the play in it's entirety very soon.

Bendigo Bank Sandpit Opening

Next week our Monday morning assembly will take place outside by the new sand pit as the sand pit is being officially opened by the Paynesville and District Community Bank. We are very grateful to the Bendigo Bank for giving the school \$25000 for the extension and upgrade of our sandpit. It is certainly a very well used and positive addition to our school. Parents are most welcome to attend as it is being held outside, so please come along if you are able.

Following the opening, Grade 5 students who wish to be considered to be a School Captain for 2022 will be presenting their School Captain speeches. We wish them all the best.

18 Square in the Air

This week we had Connor back teaching PE and we put our two 9 Square in the Air frames together to create an epic 18 Square in the Air. Very popular decision!

Also below, Spot the Difference in Prep and making pigeons in Grade 1/2. They love that pigeon!

Market Day

Our annual student Market Day is coming up on the 3rd December. I will provide you with a brief summary of what Market Day is all about...

Students in Grades 3 to 6 have the opportunity to run their own market stall. Generally, students make small groups with their peers. Stalls vary from selling food items and craft products, to providing a service like nail painting or running an event or sideshow type game. Students generally complete the advertising component of their stall in school time and the rest is completed at home. Obviously, the preparation for this event can require parent support and we thank you very much for this. It is a wonderful learning opportunity for our students and it is a very enjoyable afternoon.

The money raised from Market Day goes towards purchasing something we need for our school, what this will be is not confirmed as yet but I will consult with the Junior School Council and let you know ASAP.

During our Market Day, we welcome families to come along and become customers for our students. Students will also enjoy the opportunity to shop at the other stalls, so if the students can bring change to spend that would be wonderful.

Students in Grades Prep to 2 also become customers and it is a great opportunity for our junior students to enjoy a market atmosphere and to put their numeracy skills into practice!

Thanks very much for your support, please contact me if you have any questions.
