Dear Parents and Carers

What a busy and exciting week we have had. We have had buses arriving at school to take our students off to exciting excursions all week. On Tuesday the whole school attended The Resilience Project presentation by Martin Heppell. This was outstanding and very beneficial for our students. On Wednesday the junior school students attended the Forge Theatre to watch Dinosaur Time Machine and by all accounts it was outstanding. For the second half of the week our Grade 4 – 6 students have been taking part in the MyGolf program which has been a huge hit.

As we enter the last week of the term next week we have more exciting activities to look forward to. Junior school swimming, MyGolf Excursion and our Easter Hat Parade.

Easter Hat Parade

Our annual Easter Hat parade will be held at 9am on Friday 8th April, 2022. This will be our last assembly of the term. Looking forward to seeing the many marvellous creations from our students and their family. Thanks very much.

MyGolf

MyGolf has been a wonderful experience for our Grade 4,5 and 6 students this week. Our sincere thanks to Matt for the outstanding program he has provided. Lots of smiles and skill development. Looking forward to hitting the course next week.

Forge Theatre Excursion

On Wednesday this week the junior school students attended a show at the Forge Theatre in Bairnsdale. The show was Dinosaur Time Machine and everyone really enjoyed it. It is so wonderful to be able to enjoy a theatre experience, for many of our students, it was the first time they had had this experience.

Buddies Program

Every Thursday afternoon our Grade 6 and Prep students get together for our Buddies Program. I just loved these photos so much, bonding together with books. What else is there? Great work everyone.

Grade 5 and 6 Information Evening

Save the date!
