Dear Parents and Carers

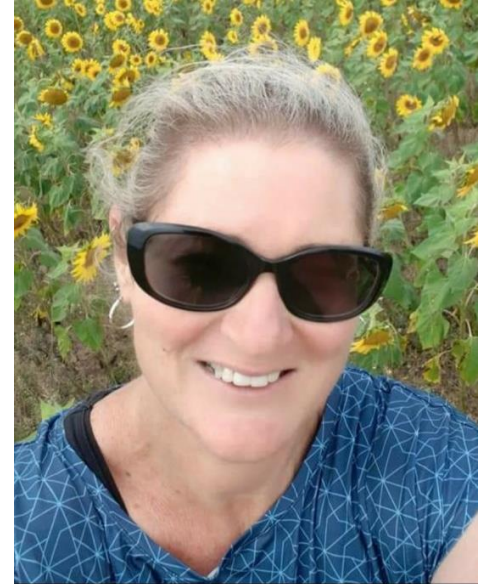

Another wonderful week at Paynesville PS. This week we concluded our NAPLAN testing, our Grade 3 and 5 students all gave it their best effort. Many of the students gave the staff feedback saying they had enjoyed the experience. We look forward to receiving the results later in the year.

This week our shade sails were installed and they look fantastic! The shade sails have been placed to optimise outdoor learning during the warmer months and they are a welcome addition to the courtyard area.

School Councillors

I would like to introduce you to the PPS School Council. The council is made up of parent and staff representatives. The School Council supports the Principal to provide the best possible educational outcomes for students. Clockwise from the top left are our parent representatives: Nick Fordham (President), Rob McGrath, Bec Pyke (Treasurer), Matt Hall (Vice President), Laura Owen, Kevin Jeffries, Ingrid Jennings and Matt Smith.

School Councillors continued...

The staff representatives on the School Council are Lauren Bills (Secretary), Jarryd Floyd, Mary Sowa and Carol Roberts (Principal).

Paynesville's Got Talent

Over the past few lunchtimes a group of Grade 6 boys have been running our annual Paynesville's Got Talent competition. At assembly this Monday we will hold the final. Congratulations to Issabell, Sylah and Karma who will be performing their acts to the whole school.

School Disco

Our student council are very excited to announce that the school disco is back this year. The disco will be on Thursday 2nd June and will run from 6pm – 8:30pm. The following day students are not required at school as it is a Professional Practice Day. Parents are most welcome to attend and we look forward to seeing you there.

NUDE FOOD DAY RESULTS

As you probably know recently we have had Nude Food Days every Tuesday. The first week we had a reduction of 108 pieces of rubbish! How amazing!

This week we had a reduction of 44 pieces of rubbish! It has been a very successful initiative so far with lots of kids bringing Nude Food on Tuesday's. We are very happy with the results and would like to keep this going.

Below are some ideas to help you with your children's Nude Food Lunchboxes:

- *Put food into containers*
- *Buying bulk products and putting them in containers instead of individual packaging.*
- *Putting your lunch in a container instead of plastic wrap.*
- *Having a plastic lunchbox with different compartments for all your different food.*

Please continue to help our school in our recycling journey.

From Maddison, Lucy, Sylah and Ella K (Grade 5)

Wonder Recycling Program

The year 5/6 students have been talking about recycling to try and make a difference in our school. We have counted breakfast club rubbish, canteen rubbish, lunchbox rubbish and more. We have made a rough estimate on how much rubbish we use a year based on these numbers, with about 6 million pieces of rubbish being thrown away at PPS each year.

A group of Grade 5/6s are making plans to make that number come down so that our school can be a better place and we don't have to worry about the rubbish because we have already taken action!

Redcycle

At our school we have started a program called Redcycle. It is where you collect soft plastics and take them to a local supermarket where they will recycle the soft plastic products. This means they don't end up in landfill. A small group of students in Grade 5/6 have made Redcycle boxes for each classroom. We are hoping that it will lead to less rubbish in our school yard.

We are looking for volunteers to take the garbage bag of soft plastics into Coles or Woolworths at the end of every week. A Redcycle bin is located at the entry of both those stores.

By Maddison Kelly and Sylah Coulls-Barnes.

Help us turn
BREAD BAGS into
**SCHOOL* PLAY
EQUIPMENT**

Our school* is taking part in the Wonder Recycling Rewards campaign this term.

Help us collect bread bags so we can earn points to redeem on new RHSports equipment.

It's simple! All you need to do is keep your empty bread bags and send them to school* with your kids! We will then place them in Wonder's pink collection box and post them off to be recycled. The more we collect the more points our school* earns!

Collections close 9th September.

Tip for collecting:

Use one empty bread bag to collect a bunch of other bags.

Did you know?

Our school is now in the draw to **WIN an exercise circuit** made from the soft plastic we collect!

LET'S GET COLLECTING!

*Includes early learning centres and pre-schools.

Tag [@wonder.australia](#) [#wonderrecyclingrewards](#) to share all your recycling champion stories!

Bairnsdale Secondary College School Tours

Families who were unable to attend the Bairnsdale Secondary College Open Night this week are able to complete a tour of the school on one of the following dates:

Monday 23rd May, 9am

Thursday 26th May, 3:30pm

Please ring BSC on 5150 4800 to book one of these tour times.

Nagle College Bairnsdale

CONSIDERING NAGLE COLLEGE FOR 2023?
