PUBLIC HOLIDAYS

31st October – Pupil Free Day
1st November – Melbourne Cup Day

Dear Parents and Carers

An outstanding end to Term 3 this week, with our students engaged in their learning both in and out of the classroom. On Friday last week Lacey (with Parker), Lucy (with Jimmy) and Ella (with Candyman) competed at the Bairnsdale Pony Club Inter School Gymkhana. The girls thoroughly enjoyed the day and talked about some of the different events at assembly on Monday. Love the photo, I believe it took a few takes!

Wishing all our families a safe and happy school holidays, we will look forward to seeing everyone back at school next term.

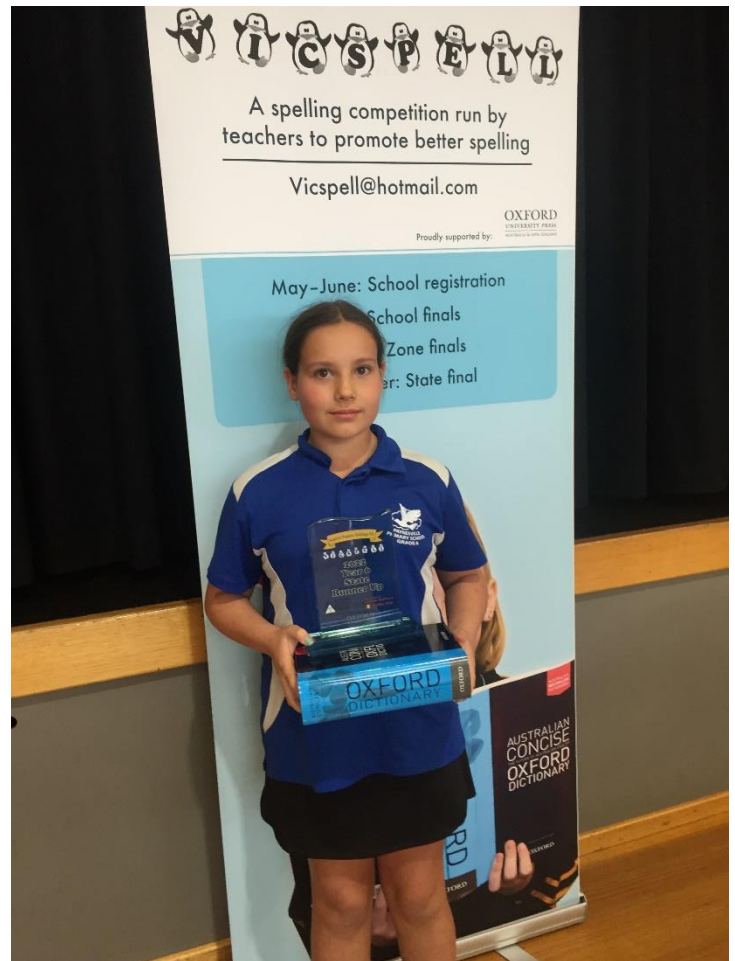

VicSpell Spelling Bee

On Monday this week Emily represented East Gippsland and Paynesville PS at the State final of the VicSpell Spelling Bee in Traralgon. I am very excited to let you know that Emily was the runner-up in the Grade 6 competition. This is a significant achievement and we are all very proud of you Emily.

Jump Rope for Heart

On Thursday afternoon this week the whole school participated in a Jump Off to celebrate the conclusion of the Jump Rope for Heart fundraiser. It was a beautiful warm afternoon and our students enjoyed showing off their skipping skills. Annie, pictured below, managed to stay in for double dutch for 37 jumps! That is impressive! Equally impressive, our thanks to Angus, Sidney, Maddison, Jayden and Sylah for raising over \$800 for the Heart Foundation. Thanks also to Mrs Ingram for organising this great activity.

Basketball Clinics

On Wednesday this week we welcomed Eliza to our school from Basketball Victoria. Eliza taught our students lots of basketball skills in fun and engaging sessions throughout the day. The senior students put their skills to work by playing a game to conclude the session. Everyone really enjoyed the sessions and loved the 2 square balls, thanks.

UNSW ICAS Assessments

Throughout August a number of students competed in the UNSW ICAS Assessments. These assessments are designed for high ability students and they are very challenging questions. Well done to all students who entered and congratulations to the below students who received either a merit or credit award. An outstanding achievement! We await the writing results and will update you when these are released.

REGISTRATION ESSENTIAL

Supporting Children and Families Through Change, Loss, and Uncertainty following Natural Disasters and COVID-19

Parent/Carer Session

Communities in East Gippsland have been heavily impacted by events such as the Black Summer Bushfires and the unfolding of the COVID-19 pandemic. This has brought many changes and losses for children and families. Higher levels of uncertainty have subsequently affected areas of daily life which raises many questions about the impacts and how we can best support our children.

Overview

Common questions:

- How can I talk about what is happening?
- What kind of reactions can I expect from my children?
- How can I best support those in my care?

Attendees will have the opportunity to:

- Consider the range of impacts that recent events are having on people
- Explore ways of managing reactions of children
- Hear about some creative ways of providing support

Attendees will receive a 'showbag' that contains information about the services that Uniting can offer as well as where to get further support if needed.

We invite you to join us at

Paynesville Primary School

This parent/carers session is for parents and carers to discuss helpful ways to support children and young people affected by the Bushfires nearly 3 years ago and more recently the changes and loss experienced from covid-19. We hope you can come!

Date: Wednesday 26th October

Time: 2:30-3:30

Afternoon Tea provided
