Term 2: April 26th to June 24th
Term 3: July 11th to September 16th
Term 4: October 3th to December 16th

PUBLIC HOLIDAYS

Dear Parents and Carers

What a beautiful week it has been with all our students enjoying the warmer weather. Today was the final day of our 2023 Prep Transition and we marked the occasion with a 'Welcome to our School' assembly. At this assembly we presented our new preps with a school hat and asked them about what they are looking forward to at school next year. We are delighted to have our new preps and their families as part of our school community in 2023.

Our Grade 6 students attended Coolamatong Lake Camp for the second half of this week. It is amazing how many exciting adventures they packed into the three days. Lots of wonderful experiences to enjoy with their friends as they near the end of their Primary School journey. Check out the photos later in the newsletter.

Remembrance Day

Today we honoured Remembrance Day in our classrooms. I asked a few of the Grade 5 students about what Remembrance Day means to them...

Remembrance Day is to remember the people who put their lives out there for us. – Lucy

To remember the people who fought and sacrificed their lives to fight for our free country. – Charlotte

It is a day to remember how others sacrificed their lives for us. – Maddison

Remembrance Day is a day to acknowledge those who sacrificed everything so we could have what we have today.

Premiers Reading Challenge

Congratulations to Ella, Lachlan, Liam and Maddison for completing the Premier's Reading Challenge. To complete the challenge these students read 15 novels and recording their reading progress in the online portal. A great effort, well done. Charlotte also completed the challenge but we haven't received her certificate yet. We will look forward to presenting this to her when it arrives.

Electronics

Great to see some amazing science happening in the Grade 5/6 class this week. In this lesson the students explored series and parallel circuits.
