Woorin Lane, Ni Hao, Kia ora, Hello

The weather was horrible for race day – but the children were out in the elements and doing their best. I was very proud of the manner in which everybody participated.

Congratulations to everyone who got out on the course and had a go – especially those students who are not natural runners!

## ***Cross Country Prize-giving – Assembly on Monday***

## **China Student Hosting**

Would your family like to host one or two students from our sister school in Changshu China. We have 20 students arriving for a week in August and they will be staying in our homes. One or two students makes more of a difference than you may think. If you host one there is more of a connection between the host family and host student – however you have to work harder to communicate initially. If you host two students they will interact with each other and therefore put less pressure on the family – however the connection between you and the Chinese students may not be as strong. Please let the office know if your family would like to host a student from China – one or two students. There is no funding attached – the payoff is the richness that hosting a student from another country will give to your family.

The dates of hosting are:

**Saturday 8<sup>th</sup> August – Student Arrive**

**Friday 14<sup>th</sup> August – Students Depart**
