## Toy Library

Dear families,

Unfortunately the Toy Library located at our school has closed. Many items have gone to child care and kinder centres. We do have a range from 0 years to 4 years available in our school hall on Monday at 9:30. Please feel free to come and purchase items. It is a great opportunity to pick up some childrens' toys at a cheap price. Proceeds to go to our school.

## Fundraiser Cake Stall

### Fund Raiser Cake Stall for Election Day

Cake stall to be held on Saturday the 2<sup>nd</sup> of July 10am – 12pm.

Could families please provide a plate of cakes, cookies, slices and jams etc to sell on the day.

Please remember to list the ingredients, the date made, made by and frozen or not.

As it is the school holidays the drop off point will be on Friday the 1<sup>st</sup> of July at the office between 4 -6pm.

**If anyone is available to help out on the day. Please contact Carmal Murphy on 51567152.**

# sids<sup>and</sup>kids<sup>®</sup> red nose day

**Friday 24th June 2016**

On the last day of Term 2 (Friday 24<sup>th</sup> of June) we will have a red themed **OUT OF UNIFORM DAY**. We ask that all children come dressed in red and bring along a gold coin donation and have their nose painted red!

As part of Red Nose we will be having a special **LUNCH ORDER DAY**. Forms will be sent out on Monday listing items and prices (food will cost between 50c to \$2). These forms will need to be returned no later than Thursday.

All family members are invited to our Red Nose Day special parade at the Hall at 3pm. We'd love all visitors to also wear some red to help us raise awareness for this great cause.

## **About SIDS and Kids**

Red Nose Day is the major fundraiser for SIDS and Kids. Funds raised through the day will go straight to SIDS and Kids. SIDS and Kids is dedicated to saving the lives of babies and children and supporting bereaved families.

Thank you all for your support!

## Quest Speaker in grade 3/4

### Carp

Last week Zayn's mum, Mel, came into our school and taught us about carp. It was quite interesting. She showed us some pictures and told us how big they get and where they live. She also asked some questions like, "What do they eat and are they an introduced species?" There were some pictures that she explained, like how a flood gate works and how some people go electro fishing and that there were events like 'Catch a Carp Day'. The best and most interesting fact was that the biggest carp recorded was 1.2 metres and weighed sixty kilos! I was really interested and I hope that we have more guest speakers in at Paynesville primary school.

Quinn Andrews – Grade 4

## *2 Square Tournament*

The Paynesville two square competition has started. We have had some fantastic matches and the sportsmanship shown by students has been equally impressive. Finals will be starting next week with the grand final played on the last day of term. Teachers are also involved in the competition called 'The Legends'. Jack Werrett is fancied to take out the trophy!

## *Active After School Care*

Next Monday is the last day for Active after school with Sam and Jorden for the term.
