MyTime

supporting parents of
children with disabilities

Would you like to join one of our MyTime groups ?

What is My Time

MyTime groups provide local support for parents and carers of a young child under 16 years with a disability or chronic medical condition.

MyTime groups are for parents and carers who want to have time out to connect with others and share their experiences. Groups provide unique support from other parents who have "been there" or are "there right now". MyTime gives parents the chance to share ideas with others and find out about available community support in our area. The program has research-based parenting information available at all group meetings. We have a variety of guest speakers who visit our group eg service providers with information on the National Disability Insurance Scheme).

How MyTime works

Each group is supported by workers - a facilitator for the parents and play helpers for the children. The facilitator works with the parent group, helping them get to know each other. The play helpers lead the children and siblings in play activities that are suited to the children's ages and interests. This enables parents to spend time focusing on catching up with others for support to gain information about their child's disability and service access. Our groups meet once a week for two hours.

Eligibility

To be eligible for the group parents/carers must have a child under 16 who is eligible for the Carer Allowance. MyTime groups are free for parents and carers.

How to join MyTime

We have two groups which meet on Fridays at the Uniting Church, 710 Lanes Road Bairnsdale. A 10am - 12pm group and a 12.30-2.30pm group.
If interested please contact Rose McKenna (MyTime Facilitator) 0427576219.
