Learning Walk is a Hit

		<p style="font-size: 1.2em; font-weight: bold;">Education is not the learning of facts, but the training of the mind to think.</p> <p style="text-align: right;">— Albert Einstein</p>
---	---	--

Above: Tom and Amy talked about what the junior school was learning. Aidan showed Ebony what the grade 6 students have been studying lately.

On Thursday the school went on a learning walk. Every student placed work they were proud of on their desk and then walked around all the grades to see what other students and classes have been up to. The class SRC reps from each grade stayed and spoke to the visiting rooms about what their grade was displaying. The school then went to the hall where the junior team led the school in a special learning SRC assembly. This is an idea that Kate Radford grabbed from a visit to a school in the Latrobe Valley. It is a wonderful way of celebrating learning and for students to see what the other grades are up to.

Basketball Results

Do we have the best supporters or what? Thankyou to the older brothers, parents and grandparents who come along and cheers on the teams every week. Fantastic effort and the teams are all going so well.

Under 10 Prawns – Another outstanding performance by the Prawns who were convincing winners in the end.

Under 12 Boys Sharks – Wow – what a game. In the end the Sharks won by 2 points in a tough game.

Under 12 girls Dolphins – The girls played very well. The coach reported that Callie Smith had a top game and lead the way.

Under 12 girls Seagulls – The Gulls had one of their best games against much bigger opponents. Melody Tomkins was a force under the basket and scored a lot of points. Our smaller players, Averil, Izzy, Ellie and Oliva all stepped up and had a superb game. Well done everyone.

Alpha Productions present “Hunchback of Notre Dame”

The school enjoyed a superb production of Hunchback of Notre Dame this week. As always the Alpha Company performance was high quality theatre and it was outstanding.
