And the winner is...cricket!

On Tuesday Mr Floyd and Kerry took our grade 3 and 4 boys and girls cricket teams to the Kanga 6 competition at WyYung Oval. Both teams played with a positive attitude and really enjoyed the day. We had a mix of seasoned veterans and first time players and the focus was on fun! A special word of thanks to Darcie's grandparents who led the cheer squad on the day!

## Grade 1 dinner and grade 2 Sleepover!!

**SLEEPOVER**

This Friday night the grade 1 and 2 students will be staying on after school finishes to enjoy some special activities and have dinner. The grade one students will then head home while the grade 2's are going to sleepover. What an action packed night. Rumour has it that Mr Roberts really snores – so bring some ear plugs!!!

Grade 5 and 6 students have been studying light and simple electronic circuits. Grade 6 students worked with Mr Jefferies and Mrs Roberts to create ice bulbs and creepy hands. Students made a simple circuit with an LED. The LED was inserted into a balloon or surgical glove filled with water and then placed in the freezer. Once frozen they looked awesome when illuminated in a dark room, all the patterns in the ice could be seen. A great idea for Halloween party decorations!
