Office Hours - 8:30am to 4:00pm - Monday to Friday

We are now accepting enrolments for 2015

Dear Students, Parents, Caregivers and Friends of Paynesville Primary School,

We have heard via email that our students, staff and parents are having a great time in New Zealand living the “Kiwi” life. They have spent a day in class, participated in sports and other activities, taking in the sights of Auckland from the Skytower, learning Maori, immersed themselves in the Wairewa Hot Pools, visited Auckland Museum and are spending Friday in the classroom at Chelsea Primary School. Saturday is the fun day at Rainbows End water theme park and then they fly home on Sunday.

Prep News

In keeping with our Junior School Theme of "Fairytales" for term 4, we built castles out of blocks earlier in the week, yesterday we played with water and containers and built sandcastles today. Hidden behind all this fun stuff is learning about three dimensional shapes, size, position, volume and mass! Sneaky teaching don't you think!

Book Fair

The Scholastic Book Fair will be set up on Monday, ready for grades to come and view books available for purchasing. Pricing is below recommended retail pricing and money raised from purchases goes towards purchasing books for our library. Purchases can be made on Tuesday and Wednesday til 4pm.

Paynesville Art Show

Did you know all students at Paynesville Primary have a piece of artwork in the Art Show?

During the year students have experienced many different methods and mediums. Come along and see all the kid's beautiful art.

-----oOo-----

Are you able to help us at the Art Show for a few hours? We need some support for this great fundraiser for our school. If you can spare a few hours over the 1st weekend in November, please let us know at the office. It could be taking donations at the door or helping pack-up on Sunday. Any and all help is greatly appreciated. Thanks.

Opening hours: 9 am—4 pm

* Gold coin donation for entry

**Free two day workshop and information sessions
for parents and carers of school age children on the autism spectrum**

Workshop: 2014VICPC8

Location: Bairnsdale

Like all school-age students, children with autism spectrum disorder benefit from strong, positive relationships between the home and school. Positive Partnerships uses evidence based materials and practical resources to help support these relationships by facilitating workshops for parents and carers.

What will you learn?

When you come along to a Positive Partnerships workshop, you will:

- Develop a greater understanding of the impact of autism on your child, both at school and at home
- Understand how to develop effective parent, school and teacher partnerships
- Learn specific strategies that will help you:
 - advocate for your child
 - support your child's participation at school
 - develop an awareness of ongoing learning needs
- Receive information about your local school system's processes
- Have the opportunity to network and share strategies with other parents/carers and key community members
- Have the opportunity to discuss a range of topics relevant to students with ASD and their families

People who work to support families living with autism in your community will also be invited to take part with the goal that there is an ongoing community focus beyond the workshop.

Workshop details

Venue: Bairnsdale Sporting & Convention Centre
117 Great Alpine Road, Bairnsdale VIC 3875

When: **Two day workshop – Tuesday 28 & Wednesday 29 October 2014**
